

Dear Parents,

Welcome to the 5th grade! It will be the year that we will always remember as the most challenging; both personally and educationally. As a remote distance learner, you and your child will be held up to the same expectations as the families who have chosen “in-class” instruction. However, there will be times during the school day that they **must** log in to their Google Classroom either for direct live-stream instruction or for Office Hours. If they do not log in, then they will be assumed absent. Please refer to the following schedule for their 5th grade classroom:

Live-Stream Instruction –

10:00 – 11:00 - Reading/Language

11:00 – 12:00 – Math

Office Hours –

The student **must** be able to log in to Google Meet every Monday, Wednesday and Thursday from 3:00 – 3:30. It is at this time that they will have the opportunity to ask any questions that they may have pertaining to any assignment. It would be a great idea to make a copy of their daily schedule and display it in their learning space so they know what to expect during their school day 😊

They must remember to check every subject daily to receive their assignments. Any assignment that needs to be turned in via Google Classroom will be photographed and sent to me directly to the subject assignment page or by email at simcoxa@stanthony-akron.com.

If you have ANY questions or concerns, please email me at simcoxa@stanthony-akron.com.

Whoever has said “patience is a virtue”, is a very wise being. This is new to all of us involved, so I ask that you have patience with yourself, your child, and especially ME 😊

Mrs. Simcox
